

Financial Services: Employment Practices Liability

Employment Practices Liability (EPL) claims can arise in every type of organization, regardless of corporate structure or employee count. While multi-million-dollar settlements continue to make headlines, hundreds of smaller privately-held companies are faced with employment-related issues every day.

Worldwide Facilities professionals are dedicated to the EPL marketplace. With access to Both Admitted and Non-Admitted EPL markets, our specialty MGA and brokerage markets ensure the broadest coverage available at the lowest premiums. We can provide form comparisons and policy audits upon your request. Additionally our easy-to-use, on-page "Quick App" is very convenient for obtaining indications. The "Instant Quote" option on our website is available 24/7 for the appropriate lines of coverage.
