

Oil & Gas Liability Program

Worldwide Facilities offers an exclusive primary and excess liability program for the upstream oil and gas industry. Our underwriting program is designed to complement our exclusive Operator's Extra Expense and Physical Damage Program.

We are dedicated to providing quality products to our clients in the oil & gas and marine insurance fields. Our mission is to deliver innovative solutions to business partners by providing superior customer service with the highest level of ethics and integrity. We strive to bring value to every product we offer.
